Institute Overview

Blossoming Angels Educational & Social Development Trust was established in the year 2016 and registered under the societies' act. Pandaveswar School of Pharmacy was established in the year 2019 under this trust and we got affiliation from W.B.S.C.T.V.E.S.D., Kolkata and approved by P.C.I., New Delhi.

The primary aims and objectives of the Trust are to establish and manage various types of quality Educational Institutions. Pandaveswar School of Pharmacy is sponsored by the Trust for the field of Pharmaceutical sciences.

Pharmacy is the branch of study that deals with the science and techniques of preparation, dispensing and review of the drugs. Technically it means the art and science of making medicines. It is a versatile, growing and increasingly dynamic profession for enthusiastic student of multidirectional dimensions.

With the upgraded and advancement of medical science there has been a huge and recurrent demand of qualified and skilled pharmaceutical technologists in the profession and to provide these extraordinarily skilled pharmacy technologists Blossoming Angels Educational & Social Development Trust established the PANDAVESWAR SCHOOL OF PHARMACY in the year 2019, to create a new generation of Pharma professional.

Affiliation & Approval

1. Approved by Pharmacy Council of India (PCI), New Delhi
2. Affiliated to Maulana Abul Kalam Azad University of Technology (MAKAUT)
3. Affiliated to West Bengal State Council of Technical and Vocational Education and Skill Development (W.B.S.C.T.V.E.S.D.), Kolkata

Vision

To serve the healthcare community by nurturing competent and professional pharmacists while promoting a learning environment that fosters innovation, nurture human talent into proactive professionals and achieve excellence through discipline, perseverance and creative thinking.

- ❖ Impart and disseminate knowledge through industry-institution interaction and encourage newer services for human development.
- ❖ Facilitate world class technical education through innovative research and development programs related to indigenous technology.
- ❖ Shape management and technological practices in India by creating new frontier of knowledge, developing new generation of ethical, dependable, entrepreneurial and socially sensitive technocrats and employable global citizens.

Mission

The mission of the college is to impart quality education which incorporates the best professional practice experience and a learning environment both inside and outside the classroom that provides high levels of student's achievement consistent with the highest academic excellence to meet international standards.

Quality Policy

We are molding our students to face the ever-growing challenges of the academia, industry and society.

QUALITY POLICY FOCUSED ON

- ❖ Establishment of excellent infrastructure, computational and smart facilities to offer the need based training and to meet the standard pharmacy practice.
- ❖ Accomplishment of innovative teaching learning environment to meet the advancement of current health care profession by providing standardized techniques.
- ❖ To provide the continuous online teaching learning process to be a skilled digitalized technologist.

From the Secretary's Desk

SMT. SUPRITY CHAKRABORTY

Pandaveswar School of Pharmacy started with the basic objective to provide quality education. We have a well-qualified team of teaching experts which gives us an extra pride to our college. Our college is equipped with a variety of pharmaceutical devices, which help students in discovering the science much more effectively. PSP's infrastructure is well built with the best equipment that is modern and effective. In pursuance of dedication towards cause of education, we invite your suggestions and any information that might be relevant to the theme.

From the President's Desk

SMT. KAJORI RAKSHIT

"Blossoming Angels Educational and Social Development Trust" since its inception in 2016 has come forth with a distinctive mission of quality development of the educational scenario and has made an incredible benchmark in the field of education. 'Pandaveswar School of Pharmacy' is proudly bearing this legacy since its genesis in 2019. I am really blessed to be a part of this prestigious institution with state-of-art infrastructure, dynamic faculty and dedicated staff. Pandaveswar School of Pharmacy is geared up to provide our student an opportunity for personal development and bring about social reforms in this indispensable sector. Being a part of the management, our focus to achieve this commitment by bringing in the philosophy that nature, education and industry must co-exist harmoniously with knowledge and experience, hand in hand, will incessantly and dynamically keep the students performing their best in the present and in the future as well. I warmly welcome you all who have come forward and have taken the initiative towards a flourishing and empowered future. All the best to you all.

From the Treasurer's Desk

SMT. CHHANDA PAL

Pandaveswar School of Pharmacy is a place where the mind is led forward by the ever widening thought & action. Also, we look forward to your participation in our endeavours to make PSP one of the best institutes of professional education in the Eastern India. Your stay, here in the fold of serenity and peace, will provide you invaluable inputs for employability, empowerment and entrepreneurship, thus boosting your overall personality. We promise to make your stay in the institute a memorable sojourn in every possible manner.

From the Director's Desk

Pharmacy is the science and technique of preparing, dispensing, and reviewing drugs and providing additional clinical services. It is a health profession that links health sciences with pharmaceutical sciences and aims to ensure the safe, effective, and affordable use of drugs. The scope of pharmacy practice includes more

traditional roles such as compounding and dispensing of medications, and it also includes more modern services related to health care, including clinical services, reviewing medications for safety and efficacy, and providing drug information. "Pandaveswar School of Pharmacy" is the right destiny for the endeavour students and faculty those who want to build and contribute their career in the profession of pharmacy. Welcome all of you to "Pandaveswar School of Pharmacy" and my best wishes to all of you.

Dr. S. P. BHATTACHARYYA

From the Principal's Desk

Dr. INDRANI BHATTACHARYYA

At Pandaveswar School of Pharmacy, we aim to meet the challenge of specific educational goals for students as well as developing resilient. We aim to foster sound academics, self-discipline and self-worth, respect for others, co-operative learning and living skills. Our teachers strive to teach not only academic programmes but also life skills needed for students' self-development with highly resourceful faculty. I wish the best of fortune, peace and prosperity to all those who contribute to the noble task of spreading education and its manifest qualities, aims and objectives. We, at Pandaveswar School of Pharmacy are committed to the improvement and growth of student community. We would like to see them soar to new heights and taste success in all their endeavours. We are convinced that the education's purpose is to replace an empty mind with an open one. I expect sincere cooperation from parents and guardians for the attainment of objectives of the institution.

Internal Quality Assurance Cell (IQAC)

Internal Quality Assurance Cell is structure to improve the work processes and achieve learning outcomes & objectives. However, IQAC is not just a committee. It is a “participative” and “facilitative” unit that would closely work with the faculty members to plan out the best possible strategies!

- ◆ Its aim is to introduce a consistent plan of action that would lead the organization towards progress. It involves preparing strategies for -
- ◆ Efficient & timely work processes
- ◆ Academic research & programs
- ◆ Affordable & innovative approaches
- ◆ Use of ICT for modernization of education
- ◆ Best assessment process for maintaining quality
- ◆ Ensuring the best infrastructure to achieve goals

Thus, IQAC considers all the possible aspects that hold the power to bring positive impact of teaching-learning on the students as well as institutions.

Sl.	Name	Designation
1.	Dr. Indrani Bhattacharyya Principal	Chairperson
2.	Dr. S. P. Bhattacharyya - Director	Member Secretary
3.	Mr. Sasikanta Hotta - Vice President (Technical & Operation), Micro Labs Ltd.	Member
4.	Mr. Soumaya Dutt - GM * Site Head Glenmark Pharmaceuticals Ltd.	Member
5.	Mr. Souvik Chattopadhyay - Asst. Professor	Member
6.	Mr. Debangshu Mishra - Lecturer	Member
7.	Mr. Sudip Kr. Dutta Gupta - Manager Finance	Member

Salient Feature

- Pollution free eye soothing lush green campus
- Efficient faculty members
- Industry oriented teaching
- Personal development classes
- Residential accommodation
- Active mentorship to each students
- Hospital and industrial training
- Excellent computer laboratory
- Library
- Boys' and Girls' common rooms
- Playground
- Auditorium and conference hall
- Well equipped laboratories of each category.
- E-learning and internet access.
- Seminars on different scientific affairs

Campus Facilities & Amenities

- Hostel facilities for boys and girls with proper amenities and security system.
- Each hostel provides a decent ambience and feel good environment.
- Equipped with all amenities like separate living, dining and recreational areas.

Training & Placement Cell

The Training and Placement Cell of “Pandaveswar School of Pharmacy” is designed to play a crucial role in locating job opportunities for Diploma and Under Graduates passing out from the college by keeping in touch with reputed firms and industrial establishments. The Placement Cell will operate round the year to facilitate contact between companies and graduates. On invitation, many reputed Pharma-industries are ready to visit the institute to conduct interviews. Our Advisory Board is also enlightened with many eminent personalities from industry like, Sun Pharmaceutical Ltd, Alkem Laboratories Ltd, Lupin Pharma etc.

Industrial visit : Our college had organised industrial tour for the students for upliftment of their knowledge and skill. The tour was conducted during the month of December 2023. College arranged tours in renowned MNC like CIPLA & LUPIN.

The Placement Cell is ready for career guidance programs for all the students starting from the first year. The cell will arrange training programs like Mock Interviews, Group Discussions, Communication Skills Workshop etc and it also organizes Public Sector Exam Training for students who are interested to join Government Sectors. It also invites HR Managers from different industries to conduct training programs for final year students.

CAMPUS RECRUITMENT DRIVE

MEDPLUS HEALTH SERVICES

MedPlus Health Services is second largest Indian pharmacy retail chain. Campus drive was organised on 10th of September 2025 at Pandaveswar School of Pharmacy for Pharmacist. Students from Final year B.Pharm and D.Pharm participated in the campus drive. Twenty Six of our B.Pharm & D.Pharm final year students are selected and got the opportunity to work with Medplus.

CIPLA

Cipla, a leading pharmaceutical company, conducted campus drive to recruit talented graduates for the position of “Therapy Manager”. Campus drive was organised on 17th of February 2025 at Pandaveswar School of Pharmacy. Students from different institutes have also participated in the campus drive. Total 13 number of BPharm final year students are selected and got the opportunity to work with CIPLA. We are thankful to CIPLA for conducting the on campus recruitment drive. Apart from CIPLA, so many reputed companies are in the pipeline for conducting the campus recruitment drive

MACLEODS

Macleods, is one of the leading pharmaceutical company which conducted campus drive to recruit talented graduates for the position for “Production , QC and QA” at Sikkim and Baddi . Campus drive was organised on 23rd of March 2025 at Pandaveswar School of Pharmacy. Twenty students from Final year B.Pharm and D.Pharm participated in the campus drive. Six of our B.Pharm final year students are selected and got the opportunity to work with Macleods. We are thankful to Macleods for conducting the on campus recruitment drive.

Entrepreneurship & Innovation Cell

How else to Make a Fortune

Our Vision:

Our vision is to assist students with an idea, a production and a burning desire to offer their start-up HR, management, persuading skills, market exposure, and investors. This cell will allow students to have a better understanding of the business world by allowing them to work in a venture.

Our Mission :

Our objective is to assist ambitious entrepreneurs in starting and growing their firms by providing a series of opportunities such as interactive sessions with professionals and business competitions to raise awareness. This will assist students develop entrepreneurial thinking, gain business expertise, and gain confidence.

Entrepreneurship & innovation cell (addition):

Pandaveswar school of pharmacy is glad to collaborate with Wadhvani Foundation to ignite the future industrialist.

Industry Institute Cell (IIC)

For the development of any Technical Academic Institution, better interaction between Technical Institutions and Industry is the need of the hour. These collaborations allow us to know industry needs and quality to be maintained inside academic institutes. Eventually, this allows us to make curriculum changes, adding value added courses and students get exposure to industry skills and subsequently to placements. Looking at the rapid pace of advancements in technology, there is a need to prepare our students to the requirements of industry by exposing them to newer technologies and engineering methodologies. These objectives can only be achieved well by bridging the gap between industry and the academic institute. To strengthen in this direction, Pandaveswar School of Pharmacy has established a institute industry collaboration cell to enhance the technical skills of the students. To inculcate self-learning among students, the institute has also planned for a good number of certifications.

Events and Certification

Career guidance workshop :

Dr. Somsubhra Ghosh delivered his valuable words on career guidance & prospects of pharmaceutical technology in the induction program on 15.12.2021

Celebration of National Pharmacy Week :

Our college celebrates 60TH NATIONAL PHARMACY WEEK from 22th November to 27th november with the valuable presence of Mr. Pradeep Kumar Mallick, G.M of Burnet Pharmaceutical Pvt. Ltd.

Workshop on Entrepreneurship & Innovation activities:

Honorable principal Prof. Dr. Indrani Bhattacharya created awareness and sowed the seeds of self-employment by brainstorming on 21.12.2021.

Industrial exposure :

Our college conducted an industrial exposure to our diploma 1st-year students in Gluconate Pharmaceutical Ltd. by visiting for one day at 11.06.2022.

Training :

There are training programmes such as Industrial Training and Hospital Training are being arranged and conducted by our college for upliftment students' skills in the area of pharmacy. The training was conducted for B.Pharm final year students in various industries like People Research Laboratories, Gluconet and Nuak Laboratories.

Pharmacovigilance Week :

Pharmacovigilance week has been celebrated by the college on 23-09-2024. The Special Guest and speaker of the programme was Mr. Sukanta Roy.

ONE-DAY WORKSHOP & SEMINAR

Organized by

PANDAVESWAR SCHOOL OF PHARMACY

One day workshop & seminar has been organized by the Pandaveswar School of Pharmacy. This seminar was organized for budding pharmacists mainly for the D. Pharm students of different colleges from all over West Bengal to understand the scope and prospects of pharmacists in the pharmacy profession. The workshop and seminar was inaugurated by the respected Director of Pandaveswar School of Pharmacy, Dr. Subhra Prakash Bhattacharyya, the Principal of Pandaveswar School of Pharmacy, Dr. Indrani Bhattacharyya, Management of Pandaveswar School of Pharmacy, and honorable dignitaries. This was the first time when such a workshop & seminar had been organized for the grassroots level of the pharma profession. The interactive session with different industrial personalities helped the students to get accustomed to the reality of the outer world before getting into it. It was a huge opportunity for the students as the workshop helped them to get hands-on training on handling different pharmaceutical instruments.

Workshop on Instrument Handling:

Students from different colleges participated in the workshop on instrument handling in different laboratories. They were demonstrated on different instruments like UV Spectrophotometer, tablet punching machine, double cone blender, disintegration machine, pharmacological software "Ex-pharm", different pharmaceutical slides, Laminar airflow, and also many more. They got to acquire knowledge about the SOP of the different pharmaceutical instruments.

INAUGURATION OF COLLEGE MUSEUM

The museum was inaugurated with all the dignitaries and guests along with the patrons, chairman, and organizing secretary of the workshop and seminar. The museum is full of various pharmaceutical products and in-house formulations

COLLEGE MAGAZINE

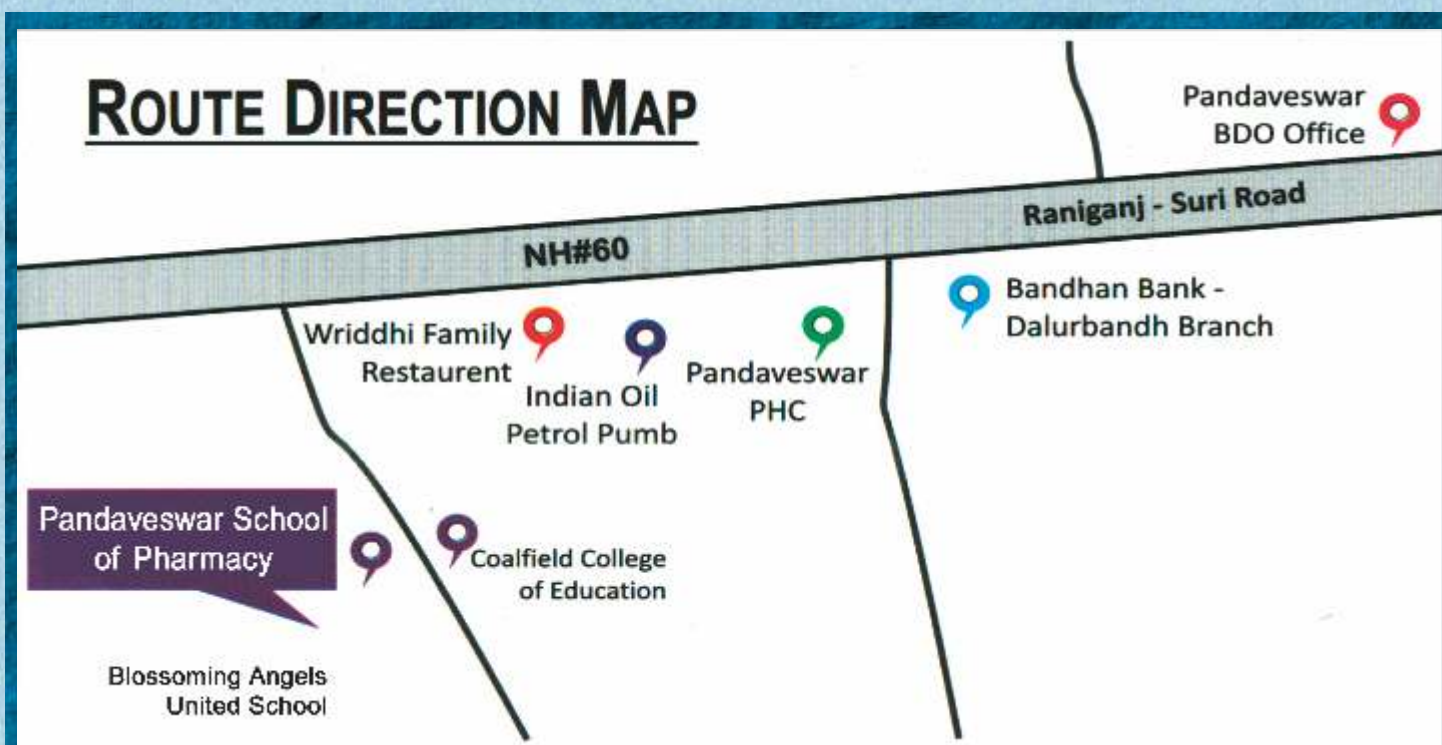

To give authentic information regarding the college to students, parents, patrons, old students & other educational institutions college magazine "The Thoughts" was inaugurated. This is a student magazine and it is a real opportunity to gain valuable experience in printed

Media. The magazine's main goal is to be the voice of all students. The variety of topics and types of news published in college magazines are an example of how the magazine is open to everyone, regardless of their personal interests.
